### Vision, Mission & Core Values

**“Vision “To Empower Future Generation through Innovative, Interdisciplinary/Multidisciplinary Education in Science, Arts and Teacher Training – Cultivating Critical Thinking, Global Competence, and a Deep Sense of Social Responsibility”**

### Mission

#### 1. Academic Excellence & Innovation

To deliver high-quality, interdisciplinary education that integrates, innovation, research and practical skills across science, art and teacher education.

#### 2. Teacher Empowerment

To prepare compassionate, competent, and forward-thinking educators through dynamic teacher training programs aligned with global pedagogical standards.

#### 3. Student-Centered Development

To nurture critical thinking, creativity, and ethical values in students, enabling them to become responsible citizens and global contributors.

#### **4. Global Outlook**

To embed international best practices in teaching, curriculum planning, and institutional culture, fostering a global perspective in every learner.

#### **5. Community Engagement & Social Responsibility**

To promote inclusivity, sustainability, and community involvement as core values, ensuring that learning extends beyond classrooms to societal impact.

#### **5. Research & Lifelong Learning**

To foster a research-driven environment that encourages inquiry, innovation, and lifelong learning across all disciplines.

#### **Our Core Values**

*Guided by our vision to empower future generations through multidisciplinary, innovative, and socially responsible education.*

- **Innovation**

We embrace forward-thinking approaches that foster creativity, adaptability, and impactful solutions in education and research.

- **Multidisciplinary/Interdisciplinary**

We integrate knowledge across sciences, arts, and education, encouraging collaborative learning and holistic development.

- **Excellence**

We are committed to academic and professional excellence, continually aligning with national priorities and global standards.

- **Global Competence**

We nurture learners to think globally and act ethically—equipping them with skills to thrive in a connected world.

- **Critical Thinking**

We develop independent thinkers who analyze, evaluate, and innovate with clarity, depth, and confidence.

- **Social Responsibility**

We instill a deep sense of civic duty, ethical conduct, and commitment to community service and sustainability.

- **Inclusivity & Diversity**

We promote a welcoming, respectful, and equitable environment that celebrates cultural and intellectual diversity.

- **Lifelong Learning**

We encourage continuous personal and professional growth to adapt in an evolving world.

- **Empowerment through Education**

We believe in the transformative power of education to uplift individuals and build resilient communities.

### **3. Academic Performance and Achievements**

- University examination **pass percentage remained above 95%** across all programs.
- Consistent performance in **B.A., B.Sc., B.A. B.Ed., and B.Sc. B.Ed.** programs.
- Continuous Internal Evaluation through tests, assignments, seminars, and projects.
- Teaching-learning processes strengthened through **ICT tools, smart classrooms, and experiential learning methods.**
- Emphasis on **outcome-based education** and **multidisciplinary learning** as per NEP 2020.

### **4. Teaching–Learning Innovations**

- Use of **ICT-enabled classrooms** and digital resources.
- Student-centric methods such as:
  - Experiential Learning
  - Project-Based Learning
  - Collaborative Learning
  - Blended Learning
- Remedial and mentoring support for slow learners.
